

Consent Form

Research Title: The theology of work held by tradies in Sydney Anglican churches

Researcher(s): Graeme Dunkley, PhD Candidate. Morling College

Name of the participant: _____

I consent to participate in this research project. It has been explained to me that the purpose of this research is to investigate how tradies in Sydney Anglican churches think about their work. I have also been provided with a written project information sheet in a language that I can understand.

The possible risks of participating in this research have been explained to my satisfaction. I understand that in this research I will be required to talk about my work and my faith and how they connect.

I understand that my interviews will be Audio/Video recorded and that I will have the opportunity to review the written transcript and give any feedback or withdraw my consent within 2 weeks.

I understand that the results of this research project may be published and/or presented in a variety of forms and that I will not be able to be identified without my express permission. I understand that given the small number of participants, it may be difficult to guarantee complete anonymity.

I understand that my participation is voluntary, and I am free to withdraw from this research anytime without needing to provide any explanation, and I would not receive any penalty or bias as a result of my withdrawal. Should I decide to withdraw, I understand that my data will be destroyed and will not be used in the research. If I withdraw after the data has been made anonymous and analyzed, it might be difficult to remove my data.

I understand that data collected for this research will be stored on an encrypted hard drive for at least 5 years, and only the researcher will have access to the data.

I consent for my data to be used in future research that is an extension of or related to this project.

I understand that this research adheres to the ethical review process of the Australian University of Theology and the National Statement on Ethical Conduct in Human Research and has been approved by the AUT HREC. I have been provided with contact details of the researcher, and the AUT Ethics Committee.
